### WHAT IS EGG?

Imagine a space where ideas flow, collabs spark, and people actually want to be part of the conversation.

That's EGG — a new-age community app designed for real connections, industry learning, and growing together.

Not just another social app. Not just another chat group. This is your digital home for building something that matters.

#### Why EGG Matters for PLGMEA Members

**Community, But Make It Industry-Focused**

**Private Spaces for Real Talk**

- Create dedicated spaces for fashion design, exports, leather craft, or anything your squad's into.
- Collaborate, share insights, or just vibe with like-minded pros.

#### **Make Trade Shows...Less Awkward**

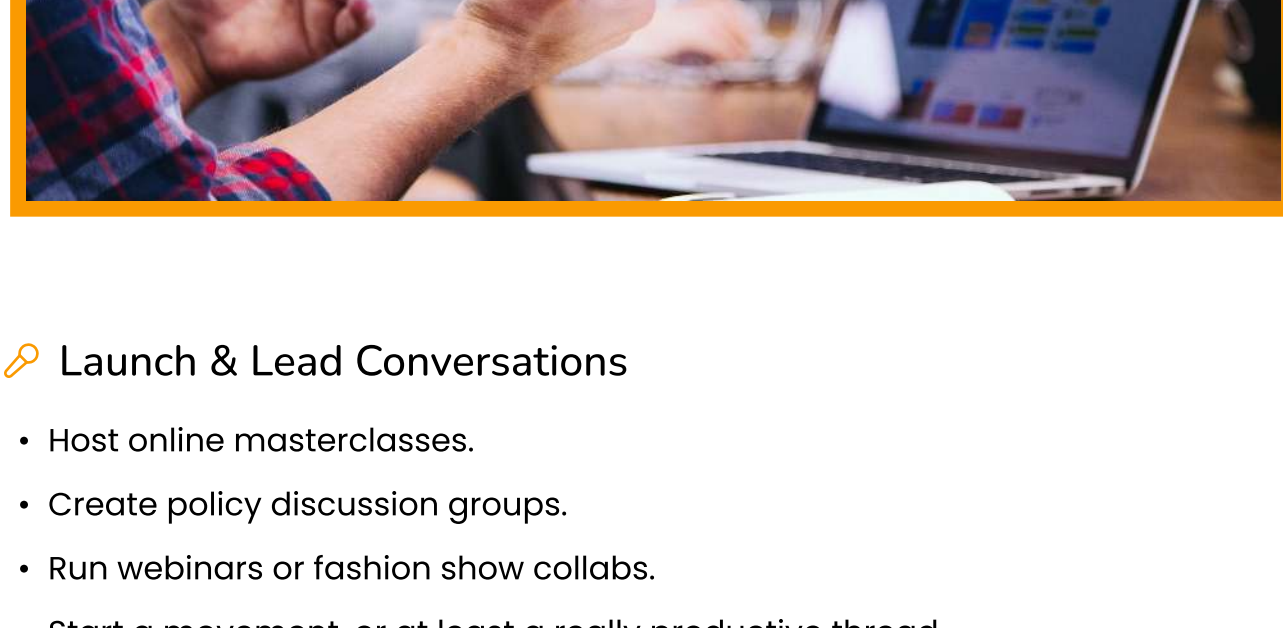

- Join event-specific groups with exhibitors, attendees & visitors.
- Share files, post schedules, drop updates — all in one spot.
- Stay connected after the lights go off.

#### **Mentorship That's Actually Useful**

- Veteran exporters? Start a group.
- Designers? Run a paid class.
- Pattern makers, leather selectors, chemical techs — you've got knowledge. Why not share it and earn from it?

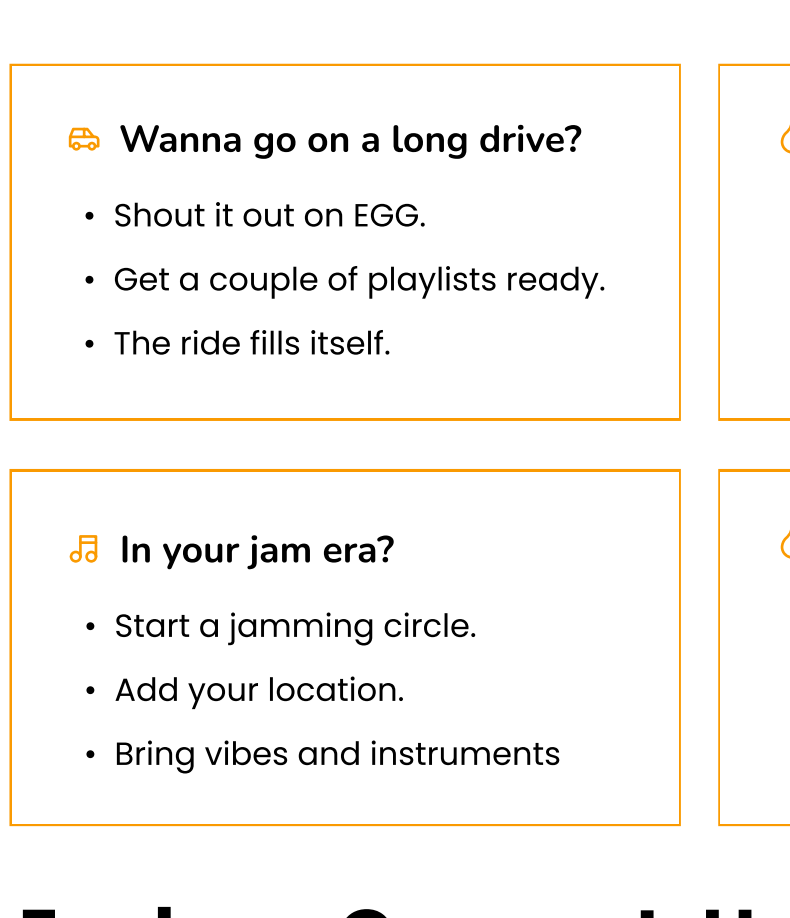

#### **Build the Export Ecosystem You Wish Existed**

- Bring buyers, sellers, freight folks, and consultants under one virtual roof.
- Support newbies. Guide youth.
- Be the reason someone gets started the right way.

#### **Launch & Lead Conversations**

- Host online masterclasses.
- Create policy discussion groups.
- Run webinars or fashion show collabs.
- Start a movement, or at least a really productive thread.

#### **Bonfire Season?**

- Make it a post.
- Bring the snacks and the guitar.
- Boom — your night is sorted.

#### **In your jam era?**

- Start a jamming circle.
- Add your location.
- Bring vibes and instruments

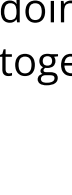

#### **Meetups? Hikes? Chai runs?**

- Say less.
- Just open EGG
- Find your people.

**Explore. Connect. Hang out. Repeat.**

It's not just another app.

It's the easiest way to turn "I wish I had someone to go with" into "Let's go."

**Moderated. Safe.  
No Chaos.**

Every group is secure and thoughtfully run. No spam, no noise. Just real people doing real things — together.
